3. Utilization of Funds

Please describe how you will utilize the requested funds. This funding must be used in relation to the coronavirus pandemic; this will be interpreted broadly but the connection must exist, especially now as vaccinations increase and guidelines are changing. Funding priority will be given for those needs identified by the Bloomington coronavirus social service response task force in the areas of food, healthcare, child care, and shelter. Also please explain your organization's capacity to successfully implement this program for approximately one year (note that for any COVID-19 CDBG funded project, 100% of funds must be expended in six years, and 80% must be expended in three years).

Program Name_____

4. Evaluation methodology/outcome measurement:

a. What do you hope to accomplish with the funds you requested?

b. Briefly describe how you will measure that you have accomplished your goal and what evaluation tool you will use to measure the goal:

5. Client Data:

Community Development funds can only be used to reimburse for services to city households with income levels at or under 80% Area Median Income (AMI), adjusted for household size. These levels are established by HUD on an annual basis. Should your project target households above this income level, please contact HAND promptly for further discussion.

Proposed Level of Activity
